Linda :

Last month I went to the *beach near my house with my family. We saw a lot of *trash there. We were *shocked and sad to see that. So we started cleaning the beach and *decided to do it every Sunday. Last Sunday some girls on the beach helped us. We were very happy.

Naomi :

I'm in the music club. One day I went to the hospital and met an old woman. She said, "I am living in *a nursing home. We will be very happy if you visit us and play some music for us." So I'm going to visit the nursing home with my friends and play some music for the old people there.

Ichiro :

My father often said to me, "You should do volunteer work." I didn't like to do it because I thought it was very hard for me. But my friends told me about volunteer work and now I think I can do it. I will do something good for the people around me.
