

## ***English Café at English Support Room***

On Friday, 27th May, 20 students from Nagasaki Higashi English Club and Nagasaki Higashi Junior High School participated in English Café at English Support Room of Nagasaki University Faculty of Economics. Associate Professor Tom Desi made a wonderful presentation about the school life in the U.S.A. After that, Higashi students enjoyed discussing with the non-Japanese college students the differences regarding the school life in English. One of the differences is the way to have lunch, and all the participants made their original lunch from a cafeteria menu that Associate Professor Desi provided.

## ***Special Lecture by Dr. Mahathir bin Mohamad***

On Saturday, 28th May, 19 students from Nagasaki Higashi English Club attended the special lecture by the former prime minister of Malaysia Dr. Mahathir bin Mohamad at Nakabe Auditorium in Nagasaki University Bunkyo Campus. Dr. Mahathir stated strongly that peace and wars can never coexist and that no military forces will be capable of ending any conflicts. Then, he introduced the three approaches to peace: negotiation, arbitration, and the international court of laws. After the lecture, Miss

Momoka Nakata of Year 12 asked the question "What does it take to be a leader?" To this, Dr. Mahathir answered "To be a leader, you ought to listen to your followers and to work hard to make their wishes come true." Every listener seemed to be determined to work hard to make the world a truly peaceful place to live, which is also Dr. Mahathir's wish.

## ***Two Nagasaki Higashi students participate in MEXT TOBITATE Program***

Miss Chiko Fujimoto of Year 11 and Miss Ryo Tanaka of Year 10 have successfully been admitted in TOBITATE! Young Ambassador Program hosted by the Ministry of Education. Miss Fujimoto, who is on the Academic (Take-off) course, will participate in the two-week study program in Los Angeles, the U.S.A., said, "I am going to do some research on advertising at the airports and sightseeing spots and interview some Disney creators. From these I hope that I will be able to learn some ideas about making good advertisements that will fascinate people around the world. After I return, I am going to share my experiences with my friends." Miss Tanaka, who is on the Professional course, will study for about two weeks in Sydney, Australia. "There must be many things for me to learn from this opportunity. I would like this experience to help me work hard in the future," said Miss Tanaka passionately.
